

Memo: 03-18

TO: All Clubs
FROM: Damien Bresic – General Manager Football Gold Coast
DATE: 23rd January 2018
SUBJECT: 2018 Senior Women's Football Competition

Further to FGC Memo 76-17, the deadline for the Senior Women's team nominations of the 19th January 2018 has expired however, following discussions between FGC and Clubs, early indication were that some Clubs were struggling with numbers to fulfil their commitments and felt that the early deadline could be a contributing factor. With this in mind Football Gold Coast are prepared to extend the deadline to the 5th February 2018.

In the interim, Football Gold Coast will contact Clubs to check on the progress made. All we ask is that Clubs are upfront and honest to enable us to form a viable competition.

The above could potentially have an impact on the start of the season but Clubs will be kept well informed as things progress.

Should you have any questions in relation to the above please email via admin@footballgc.com.au .
