

## Memo: 04-18

**TO:** All Clubs  
**FROM:** Damien Bresic – General Manager Football Gold Coast  
**DATE:** 23<sup>rd</sup> January 2018  
**SUBJECT:** Payment of Match Officials

We would like to take this opportunity to remind Clubs of the correct process for payment of Referee's at games (including pre-season and friendlies): -

- In all Senior games officiated by FGC Referees, the match officials **MUST** be paid in the referee's room no later than 15 minutes prior to the scheduled commencement of the game (unless prior arrangements have been made). **Payment of Referee's at the bar is strictly forbidden.**
- In all Junior games officiated by Football Gold Coast Referees, the match officials **MUST** be paid in the Referees room **NO LATER** than 10 minutes after the completion of the last game he/she is officiating in. Payment of Referees fees at the Club bar is strictly forbidden.

Football Gold Coast are currently working on the introduction of online payments for Match Officials but in the interim the above must be adhered to.
