**TO:** All Clubs  
**FROM:** Marilyn Rutherford  
**DATE:** 25<sup>th</sup> January 2018  
**SUBJECT:** Updated ITC Guides

Please find attached updated ITC Guides and Minor application forms. Could you distribute this information to all Registrars as a minimum to ensure compliance.

There are now 6 application forms that address each of the particular Minor ITC application types that ensure we comply with the updated FIFA minor player application guide issued in February 2017.

To assist Clubs through this process there are two flowcharts and detailed explanatory notes that provide examples of sufficient documents to satisfy FIFA requirements.

All this information will be uploaded shortly on the Football Queensland Website under **Clubs – International Clearances.**
