

## MEMO: 45 – 18

**TO:** All Clubs  
**FROM:** Damien Bresic – General Manager Football Gold Coast  
**DATE:** 11<sup>th</sup> June 2018  
**SUBJECT:** SportsTG for Fixtures/Draw Information

---

Clubs are reminded to use SportsTG as their primary source for information for everything relating to fixtures/draws.

MyFGC (online team sheets) is always slightly delayed than SportsTG resulting in a cross over of information. To ensure that everyone is working from the correct information please refer to SportsTG in the first instance.

All amendments to fixtures/draws are made via SportsTG and with the slight delay between the export of information between the two platforms MyFGC is always on the 'back foot'.

Please ensure all Coaches and Managers are also made aware of this information to ensure everyone is using the correct information for game day.
