

MEMO: 49 – 18

TO: All Clubs
FROM: Damien Bresic – General Manager
DATE: 6th July 2018
SUBJECT: Removal of team from Coast League

Due to some undesirable and unacceptable behaviour at a recent Coast League 1 fixture we wish to inform you that Mudgeeraba SC have been removed from the Coast League 1 and Coast League Reserves divisions effectively immediately.

It is unfortunate that this decision has been forced upon us, however with the implementation of the “Enough is Enough” campaign it is one that was unavoidable.

I wish to acknowledge the Committee of the Mudgeeraba SC for their proactiveness and forthright attitude and thank them for their assistance and cooperation when dealing with this incident. Their attitude has enabled us to reach a mutual agreement and we now consider the matter closed.

The CL (First and reserve grade) will continue as per the existing draw and all the scores in the first round involving Mudgeeraba SC will remain however any games played as part of the second round will be removed and become null in void.

We are aware that this decision has created two byes in the competition, unfortunately, we are too far into the season to eliminate this issue and we ask clubs to work with us and we apologize for any inconvenience this may cause.

Should you have any questions in relation to this matter please don't hesitate to contact our office.
