

MEMO : 76 – 18

TO : All Clubs
FROM: Marilyn Rutherford
DATE: 6th November 2018
SUBJECT: Interact - User Access for Season 2019

We would like to request that all clubs nominate person/s to be approved for access to Interact (the new National Registration platform) as a club representative (e.g. Registrar for online registrations) for Season 2019.

This person/s will be responsible for control of registrations for players, coaches, volunteers etc within their club.

I will email out to the Club's nominated person the new details on 'how to apply for user access' as soon as it is released for the 2019 season.

Could you please advise me by email at accounts@footballgc.com.au who your new Club Users will be, so I can grant them access when they apply.
