

MEMO: 86 – 18

TO: All Premier League Clubs
FROM: Damien Bresic – General Manager Football Gold Coast
DATE: 26th November 2018
SUBJECT: Media & Marketing Levy

Further to recent discussions between Football Gold Coast and Clubs, please be advised that all Premier League Clubs will incur a \$1000 media and marketing charge for the 2019 season.

We have received great success and feedback in recent years in relation to the level of cover the Premier League teams receive for media and marketing within the Zone. In an attempt to maintain the standard a nominal levy will be charged to cover some of the costs incurred by Football Gold Coast.
