**DATE:** 5<sup>th</sup> February 2019  
**SUBJECT:** FFA Cup 2019

---

Football Queensland have announced details of the 2019 FFA Cup competition. With the scheduling of the FFA Cup, Football Gold Coast have made the decision to not run a Cup competition within the Zone but to put our efforts into supporting the FFA Cup.

The qualification process will change slightly from previous years in order to provide more opportunities for regional qualification and to provide a greater variety of matches, particularly for smaller zones.

This process will see an SEQ (Football Gold coast, Football Brisbane, Football South West and Sunshine Coast Football) qualification path and a Central and North Queensland (Football Wide Bay, Central Queensland Football, Mackay Regional Football, North West Qld Football, North Queensland Football and Far North Queensland Football) qualification path. The SEQ path will compete for 3 qualification spots, with 1 allocated to the CQ/NQ path.

Key dates are as follows (SEQ only):
