

MEMO: 09 – 19

TO: All Clubs
FROM: Damien Bresic – General Manager Football Gold Coast
DATE: 8th February 2019
SUBJECT: International Transfer Certificates (ITCs)

Further to my email dated the 5th February 2019 outlining the International Transfer Certificate (ITC) procedure, Clubs are reminded that in the first instance players are responsible for ensuring they specify the necessity for an ITC at the time of registration (self-registration) via the PlayFootball platform. This starts the process with a direct submission to FFA for ITC clearance.

However, it is also the responsibility of every Club to ensure that each of their registered players are fully eligible to participate, be that in relation to disciplinary sanctions or ITC's, ignorance at Club level will not be an acceptable excuse should a player be deemed ineligible.
