

MEMO: 25 – 19

TO: All Clubs
FROM: Damien Bresic – General Manager Football Gold Coast
DATE: 12th April 2019
SUBJECT: Junior Finals format

Due to the large number of teams nominated in each division of the U12s age group, it has been necessary to divide each division (JPL, Division 1 and Division 2) into two separate competitions (Yellow and Blue).

In the first instance any club that had more than one team in a division was separated and then the balance of spots was filled by individual teams.

Please note that each division (group) will still play for individual Premiership trophies, however the finals format will be held after to try and achieve one winner from each division.

The under 12s finals format will be as follows:-

1. Top 4 from each division will contest the finals series.
2. Once into the finals series, the teams will crossover and play teams in the other group.

Week 1: Team 1 Yellow v 4 Blue
2 Yellow v 3 Blue
3 Yellow v 2 Blue
4 Yellow v 1 Blue

Week 2: Highest ranked winner v lowest ranked winner in opposite group.

Note: In the instance where more teams progress from one group, then the above will apply in the first instance and the remaining teams will play each other.

Week 3: Grand final (two winners of week 2)

Please note all other divisions will be a top four final series, irrespective of the size of the competition.

In every instance in the final series, the highest ranked team will host the game.
