

MEMO: 39 – 19

TO: All Coast League Clubs
FROM: Alan Marquez – Football Operations Officer
DATE: 14th June 2019
SUBJECT: Withdrawal of Team

We wish to inform all clubs that unfortunately Coomera Soccer Club has informed FGC that due to a lack of numbers they will not be able to fulfil their obligations to provide two teams each weekend and as such have made the unenviable decision to withdraw from the Coast League effective immediately.

Coomera is extremely embarrassed and apologetic about this situation but they have ensured that this decision wasn't taken lightly and that they have exhausted every avenue possible to continue in the competition but felt for the best interest of the competition to withdraw now and not place more angst and pressure on the competition.

As a result, the Coast League competition will now consist of 9 teams and any team that was scheduled to play Coomera will now have a bye.

As the competition has played 1 full round, all round 1 scores against Coomera will remain and any games completed in round two will be null and void.

We apologise for any inconvenience this may cause but as you can appreciate this is out of FGC's hands.
