- a) A Player who accumulates **5 (five)** Yellow Cards during the same Competition Season, regardless of the league or grade or Club in which those Yellow Cards are handed out shall be automatically suspended for 1 (one) match from the time of notification by FGC and the said suspension must be served in the competition / grade in which the 5th Yellow Card was received, unless determined otherwise by FGC.
- b) A Player who accumulates **8 (eight)** Yellow Cards during the same Competition Season, regardless of the league or grade or Club in which those Yellow Cards are handed out shall be automatically suspended for 2 (two) matches from the time of notification by FGC and the said suspension must be served in the competition/grade in which the 8th Yellow Card was received, unless determined otherwise by FGC.

Further the player may be required to attend a disciplinary hearing where further disciplinary sanctions could be imposed.

(# Note – If a player is suspended due to 3.0.2 (a)(b) or (c) then the player is unable to play in any other league/division until the suspension is served in full as stated above).

3.0.3 A Player who accumulates two (2) yellow cards during the course of the Finals and or Play-Off Series, may be required to attend a Disciplinary Hearing.

3.0.4 If a Player receives two Yellow Cards during the same match and therefore receives a Red Card, the two Yellow Cards do not count for the purposes of accumulation of yellow cards.

3.0.5 If a Player receives a Yellow Card and then a direct Red Card in the same match, the Yellow Card will count in the Player's accumulation of Yellow Cards.

3.0.6 The accumulation of Yellow Cards will be reset to zero at the end of the last Match of the Pre-Season, the Regular Season, and any Finals Series respectively. This means that Yellow Cards accumulated in the Pre- Season do not carry over to the Regular Season, Yellow Cards accumulated in the Regular Season do not carry over to any Finals Series and Yellow Cards accumulated in the Finals Series do not carry over to the next Pre-Season.

3.0.7 Further to 3.0.6, should a player receive a yellow card in accordance with 3.0.2 a to c in the last game of the regular season, then that suspension will carry forward to the Finals Series and/or next regular season (pre- season/trial/friendly game will not constitute games served)

3.0.8 A Yellow Card issued to a Player during a Friendly Match does not accumulate toward future matches.

3.0.9 A Player who accumulates the following number of DIRECT red cards during the Competition or Finals series, must serve the following mandatory match suspensions:

- a) First red card of the season equates to the standard NDR sanctions;
- b) Second red card of the season, equates to an additional one (1) match suspension on top of the standard NDR sanctions;
- c) Third red card of the season, equates to an additional three (3) match suspension on top of the standard NDR sanctions;

- d) Fourth red card of the season, equates to an additional five (5) match suspension on top of the standard NDR sanctions.

The above could differ where the Enough is Enough initiative takes precedence, the higher penalty will apply.

- 3.0.10 Players suspended as a result of a red card offence must serve their suspension in the competition/grade/division in which the red card was received, unless determined otherwise by FGC. The player will continue to be suspended for a period of **12 hours** after he/she serves their last match. For the avoidance of doubt, suspensions do carry over from one round to the next in the same competition, including from the pre-season to the regular season to cup fixtures to finals and or play-off series. Suspensions not fully served by the end of the competition season will be completed in the next competition season. (Friendly/Pre-season matches will not constitute suspension served).
- 3.0.11 A Player, who receives a match suspension in a Friendly, must serve that suspension in the next Friendly or next Competition Fixture as determined by FGC.
- 3.0.12 The imposition of a mandatory match suspension as a result of a red card is immediate. For completeness, Football Gold Coast will send a Disciplinary Infringement Notice notifying the Player or Team Official (through the Club) of the mandatory match suspension within four (4) days of the completion of the round. For the avoidance of doubt, the mandatory match suspension is effective and must be served regardless of whether or not the notice was/is received.
- 3.0.13 If Football Gold Coast has determined that an Offence by a Player or a Team Official was such as to warrant a sanction in addition to the mandatory match suspension, a further Disciplinary Infringement Notice notifying the Player or Team Official (through the Club) of the details of the Offence and of the disciplinary sanction imposed will be forwarded within four (4) days of the completion of the round.
- 3.0.14 While serving a suspension, a Participant (player or team official) **MAY NOT** :-

- 3.0.15 Any breach of CMC Rule 3.0.14 could result in the participants and or the club being charged by bringing the game into disrepute and further suspensions or fines imposed.
- 3.0.16 In the event that FGC organise a cup competition it may introduce a variance to the rules by way of its own (Cup) disciplinary rules which will then need to be read in conjunction with this section. In the absence of such variance the CMC Rules shall apply to competitors.
- 3.0.17 Except in the case of obvious error, the particulars of which are exclusively contained at clause 4.3 of National Disciplinary Regulations, there is no appeal from a mandatory match suspension.
- 3.0.18 Each Club must ensure that its Participants do not engage in Team Misconduct. FGC may, consistent with the FFA Statutes, sanction a Club whose Participants engage in Team Misconduct. Team Misconduct in relation to a Club is where:
