SUBJECT: Online Referee Payments

Dear colleagues,

To help reduce the work load for Club volunteers, FGC will now conduct on-line referee payments to **ALL** FGC appointed match officials (Senior Men, Women & Junior Competition games).

For Season 2020, Clubs will be invoiced for the full season fixtures for the Senior Premier League and Coast League 1 Competitions. These invoices have already been issued.

For all Metro Competitions (Men and Women), FGC will estimate the referee expenditure and Clubs will be invoiced in instalments, the first instalment for fixtures for Rounds 1-7. Clubs will be given 14 days to pay these invoices.

For Junior Competitions, FGC will estimate the referee expenditure and Clubs will be invoiced in instalments, the first instalment for fixtures for Rounds 1-4. Clubs will be given 14 days to pay these invoices.

At the end of the season FGC will reconcile every club's referee usage and will issue a final invoice or refund to the club.

FGC will issue clubs with a weekly summary of the payments that have been made against your account and the games that were covered with FGC officials.

Should you have any questions in relation to this please email accounts@footballgc.com.au.
