

MEMO: 19-20

TO: All Clubs
FROM: Alan Marquez
DATE: 18th of March
SUBJECT: COVID-19 Reporting

Dear colleagues,

As we move into the first day of the suspension of football activities as per FFA and FQ directives, we would like to ensure that our clubs are up to date with protocol that has been handed down by the above parties.

Football Queensland have asked us as the zone to ensure that clubs report anyone amongst their football community that experience any of the following;

- Showing symptoms of COVID-19
- About to be tested for COVID-19
- Are awaiting results of tests for COVID-19 or
- Known cases of COVID-19

It is imperative that clubs report any of this directly to Football Gold Coast to ensure that all parties are made aware and documentation is recorded.

Please email any of the above details to info@footballgc.com.au once it becomes available to you.

Should you require any assistance during this time please contact the office on 07 5502 1555.
