

MEMO: 21-20

TO: All Clubs
FROM: Alan Marquez
DATE: 20th of March
SUBJECT: Suspension of Football Activities Reminder

Dear Colleagues,

We would like to remind our clubs that due to the suspension of football activities limitations are in place at all our clubs as per FFA circular memo that was released earlier this week;

“The suspension applies to all sanctioned matches and competitions, including National Premier Leagues, FFA Cup, youth and grassroots football (including MiniRoos and futsal) as well as training and associated football related activities.”

We remind clubs that this is a mandatory suspension and must be followed in accordance with the rest of the footballing community around the nation.

Furthermore, we remind clubs that as per the City of Gold Coast Right of Use information email sent on Wednesday the 18th of March, the following directive must be adhered to;

“For safety and to ensure City of Gold Coast can efficiently and effectively mow and perform periodic maintenance on the fields, please arrange for all portable goals to be stowed safely and securely well away from the playing surfaces.”

We would like to thank you for all your hard work in these difficult times and we hope to see our game and clubs open very soon.
