

## MEMO: 28-20

**TO:** All Clubs  
**FROM:** Kat Pryer  
**DATE:** 26<sup>th</sup> June 2020  
**SUBJECT:** Referee Courses and Carnivals Update

---

Dear Colleagues,

As the season has been pushed back we need to re-visit carnival days. Any clubs wishing to hold a Carnival Day in 2020 will need to complete a sanction form via the following link- <https://form.jotform.com/83380670084963> by Friday 17th July 2020.

Please ensure carnival rules are attached to the sanction request. A FQ fee will be charged for carnival days.

We will not be accepting any carnivals of the same age division, on the same day. It will be a first in best dressed policy regarding this. All clubs holding carnivals will need to adhere to the state COVID 19 restrictions in place at that time.

All carnivals originally sanctioned after July 10<sup>th</sup> will need to email FGC directly to confirm if the carnival will be going ahead or not.

Furthermore, we are looking to confirm referee courses for the coming months at our clubs. If any clubs are interested in re-booking referee courses or looking to host them in the near future, please contact us directly and we will liaise with Football Queensland on scheduling.
