

MEMO: 33-20

TO: All Clubs
FROM: Damien Bresic
DATE: 1st July 2020
SUBJECT: Stage 3 Restrictions

Dear Colleagues,

As you are aware Queensland Premier Anastasia Palaszczuk announced the easing of restrictions regarding community sport and border closures from Friday the 3rd of July and Friday the 10th of July respectively.

We welcome the announcement from the Premier and would like to re-iterate to our clubs the key points that have come out of the announcement;

- Full contact training and games are able to resume from 12 noon on Friday the 3rd of July
- Border restrictions have eased from NSW into QLD and members are only required to declare that they have not been in Victoria in the last 14 days before re-entering Queensland
- No limitation in the number of spectators present at grounds- as long as they are following social distancing measures in place

As a COVID-Safe plan is still required to be in place for the resumption of these activities, we are waiting on amendment and clarification from Football Queensland and the State Government on what requirements are needed in regards to COVID reporting systems in place.

Please keep an eye out for email correspondence and updates on social media regarding the above announcements and should you require more information please don't hesitate to contact us.
