SUBJECT: Border Passes

Dear Colleagues,

With our season beginning this weekend, we would like to remind our clubs and members that border passes are needed to cross over to NSW and QLD respectively for ALL members.

The pass is a declaration to acknowledge that the individual has not been to Victoria within the last 14 days and will be required by both QLD residents playing games in NSW and NSW residents playing games in QLD. Each individual (including children) will need to have a pass to enter into Queensland.

The pass can be completed online on the QLD Government website at <https://www.qld.gov.au/border-pass/queensland-border-declaration-pass>

When asked for which exemption applies to you, please tick one of the following;

- QLD Resident- If you live in Queensland and are coming back into the State
- NSW Resident- tick the "Cross border resident" option

Furthermore, fill in the rest of the prompts to be issued your pass.

Please note that the border pass IS ONLY VALID FOR 7 DAYS upon completion online. This means that your members will need to apply for a pass every time they cross into the Queensland border.

Should you require more information please do not hesitate to contact the office.
