SUBJECT: Future of Football 2020+- Gold Coast Summit

Dear Colleagues,

Football Queensland announced that the Gold Coast leg of their Future of Football 2020+ summit will be held at the Croatian Sports Centre (GCK) on Monday the 27th of July, 2020 at 6pm.

The summit is designed to allow all members of our game to contribute to what the future of football looks like in not only our local zone but the entire state.

The summit will focus on four key impact areas- governance, administration, competitions and affordability. The summit will be delivered by Football Queensland CEO Robert Cavallucci.

We need the assistance of our clubs and committee personnel to enhance the game and move forward in the right direction.

Due to COVID-19 restrictions, spaces are limited so we would like to encourage two members from each club to take part in the summit.
