

## MEMO: 59 - 20

**TO:** All Clubs  
**FROM:** Kat Pryer  
**DATE:** 28<sup>th</sup> July  
**SUBJECT:** Regraded Draw Changes

---

Dear Colleagues,

Please be advised that Football Gold Coast has redrawn the below divisions:

- U12 Division 1
- U12 Division 2
- U13 JPL
- U13 Division 1
- U15 Division 1
- U15 Division 2

Please ensure all clubs check the website for the latest and up to date draw for all divisions. The changes in the above divisions may have impacted other divisions scheduled game times.

The above divisions may also now have catch up games to ensure all teams play 14 rounds. These games have been automatically selected for midweek games however if the catch-up date or time do not suit your club please contact opposition then put a game change request in through myfgc.

As the first 3 rounds have already been played these results will stand (with exception if a team has been removed from this competition). Please pass the below information onto your coaches

- 1- The draw in the above competitions have changed which means your division may have more or less teams in it now.
- 2- First 3 rounds of scores have been kept (with exception if a team has been removed from this competition).
- 3- So all teams have an equal amount of games (14 rounds) mid-week fixtures have been allocated to the draw. Please make your team aware of these games.
- 4- Due to the configuration of the new draw some teams may not have a fixture to play on a Friday or Saturday during the season as this fixture will have been played in the first 3 rounds of the original competition.

Any issues please let me know.
