Dear Colleagues,

The Board of Football Gold Coast is pleased to announce the appointment of David Brand to the Football Gold Coast Board effective immediately.

David brings a wealth of experience to the Board, having been involved in the game for nearly 60 years. With a professional player and coaching background in his resume, David brings a high administrative football IQ background to the Board.

His role in game development primarily across the Pacific Islands in Samoa, American Samoa, Papua New Guinea and Solomon Islands has seen David travel the world in our great game. The level of expertise and knowledge he brings is something that he heaps can be beneficial for the organisation.

“Having been away from the game here for a while I hope I can get up to speed quickly and use the experience I have in the game to assist the Gold Coast moving forward,” said Brand.

FGC Chairman Andrew Parkes said the appointment of Brand is a part of the greater goal of improving all aspects of the game on the Gold Coast.

“We are delighted to have David on our Board and look forward to seeing the wealth of experience he brings to the table. He will be working closely with our Junior Director Ryan Alexiou on ensuring that our juniors continue to grow in the right direction,” said Parkes.
